body or clothing worn on the person, and the device is placed in [its] one of the plurality of closed [position] positions so as to be visible on the person's body or clothing.

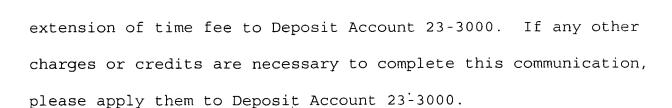

Remarks

Applicant thanks the Examiner for participating in a cordial and helpful personal interview with Applicant's undersigned representative on October 21, 1999. The prior art and the distinctions of the claims from that prior art were discussed. As agreed at the interview, independent claim 1 is being amended to clarify their language in the manner summarized in the interview summary record. Additional conforming and clarifying amendments have been made to the dependent claims. The Examiner has indicated that the claims are allowable over the prior art of record.

Applicant is also submitting a Terminal Disclaimer to avoid the Examiner's rejection based on Double Patenting.

All rejections having thus be avoided, Applicant submits that all claims are now allowable and requests early transmission of a Notice of Allowability.

If any petition for extension of time is necessary to accompany this communication, please consider this paper a petition for such an extension of time, and apply the appropriate

Respectfully submitted,

Thomas W. Humphrey Reg. No. 34,353
